Production Manager 01/2022–current Tostado Coffee Roasters

Maintained production and event schedule for the company. Which included market events, client meetings, client trainings, etc.

Roast coffee and regularly performed quality checks and curated profiles to best roast each origin.

Maintained client relationships by having transparent communication, proactive problem-solving, and delivering on promises. Building trust by actively listening, soliciting regular feedback, and providing exceptional service.

Designer 01/2022–current Tostado Coffee Roasters

Created training manuals, product sheets, social media posts, website edits, infographics, and redesigned packaging with the new brand identity.

Treatment Specialist 01/2023–1/2024 Cascadia Behavioral Health Care

Designed individual treatment plans for clients, tailored to each individuals needs.

Administered time sensitive medication and kept clear written records through a Medical Administration Record.

Clearly communicated clients treatment plans, progress, and summary with treatment team and medical providers through multiple channels.

Store Lead 07/2021–01/2023 Happy Cup Coffee Bar

Managed inventory and coordinated a small team of 5.

Trained staff and informed them on company policy changes, menu changes, and employee work reflection.
